

Solo Renting Policy

Solo Renting Policy

Applicable to all licensed pilots who wish to lease the C-180 seaplane solo.

Fort Langley Air, Cesna 180 CDQ, Recency Requirements

≥ 40 days: If ≥ 40 days have lapsed since your last flight; complete 1 hour of dual

≥ 120 days: If ≥ 120 days have lapsed since your last flight, complete 3 hours of dual

example: If it's been 110 days since your last flight; complete 1 hour dual with a FLA instructor.

example: you have not flown CDQ all winter and greater than 120 days have lapsed since your last. In this case you must complete 3 hours of dual. This will apply to almost all solo renters returning in the spring.

* all described flights must take place on CDQ

* 1 hour dual may vary . The student must demonstrate all the skills in the checkout form. This will take at least one hour; in some cases more.

These recency requirements are in addition to:

- annual PDM Course (1-hour)
- annual 180 type exam
- annual airspace exam
- flight log emailed to Chief Pilot before the flight which includes route, altitudes and en-route frequencies.

Renewal of recency includes:

demonstrating the following 3 types of *landings*:

Normal, glassy, full flap (Short field), and advanced crosswind landings.

demonstrating the following 3 types of *takeoffs*:

Normal into wind, glassy performance float roll and advanced cross wind takeoffs. Engine out landings discussed & step taxi demonstrated.

Procedure:

A navigation log must be completed by the student for all flights. Details shall include safe altitudes (identification of power lines and terrain), fuel load & consumption, airspace and communications.

Preparation:

From memory, renters must be able to draw details of the Cessna 180 circuit diagram. This demonstrates normal & abnormal procedures, SCAMPFRS proficiency, power and flap settings.

Destinations:

FLA restricts flights to the Fraser River at Fort Langley, Pitt, Stave, Alouette & Harrison Lake. Additional training is available for the Sunshine Coast and the mountain chain of Fire, Thomas and Glacier Lake.

Flight Time: Any bookings over 3 hours must yield a 50% flight time (May - September)
